## About us:

The School is open to all students from 9.30am to 9.30pm. We are closed at weekends, on Bank holidays, one week during the summer, at Easter and at Christmas (details of holiday dates on page 11).

The school is located over three floors:

First Floor: reception and common room;

Second Floor: toilets, kitchen and classrooms;

Third Floor: just classrooms.

### Food and drink

There is a coffee machine in the common room, which offers a selection of coffees, hot chocolate and tea. The drinks are priced at £1.20p each. Next to the coffee machine, you can also find a vending machine with snacks, such as chocolate bars, crisps and sweets (80p). There is also a water machine.

*Please help yourself to a glass of water whenever you like. It is FREE!*

If you want something more filling to eat, there are many cafes and restaurants near the school. Please ask us in reception, and we'll be more than happy to help. Alternatively, you are welcome to use the school kitchen (which has a kettle, a microwave) to heat up or prepare food that you bring with you.

### Internet

Free unlimited wi-fi is available on all floors. Unfortunately, we do not have any computers/tablets for students to use at school. If you don't have your own mobile device, please visit Chiswick library (see below), which offers free use of PCs/tablets and is only 5 minutes away from the school. Joining the library is free, but you might need proof of address. We can help you with this. Please ask us at the school's reception.

**Ask reception for the  
Wi-Fi password**

### Study area

If you would like to spend some extra time at school, preparing for your lessons or revising past material, you can do so in the quiet area of the common room. We have a small selection of reading books available for you to borrow, as well as magazines and current newspapers. Alternatively, you might prefer to visit the Chiswick library, where you can find an extensive collection of books and plenty of work space.

*If you need somewhere to study,  
borrow books or use a computer, you  
can visit Chiswick Library  
1 Dukes Avenue, W4 2AB*

# General English: The Callan Method

---

We teach General English using the Callan Method. It was first developed by Mr. Robin Callan in 1960. It is based on the Natural Method, similar to the way children learn their first language:

*The student first hears the language, then copies what he hears, later sees the words written, and finally writes them himself.*

The Callan Method course consists of 12 levels (from beginner to advanced) and takes an average of 12 months to complete. The Callan lessons are very fast and you will learn a lot of vocabulary and grammar. You will have a different teacher every lesson and we will ask you the same questions over and over again. At the end of each lesson you will be given a dictation, you might also be asked to read aloud. If you are not sure how the method works, please feel free to speak to any of the teachers or reception staff.

Detailed explanation of the Method can be found in the Introduction to your Callan Method Student Books available to buy at reception at £12 each.

---

The background of the bottom section of the page features a collage of Callan Method educational materials. It includes several blue and green student books, some with titles like 'WITH VOCABULARY - STAGE 9' and 'CALLAN METHOD'. There are also colorful geometric shapes and a small Union Jack flag visible on the left.

### Important information:

*The Callan Method claims to teach English in a quarter of the time taken by any other methods on the market. Evidence in support of the claims was published in 1991, and showed how the Callan School compared with the other London language schools in cost and length of study. Please note, as the results of the survey related specifically to the Callan School in Oxford Street, Speakeasy School cannot therefore associate itself with the above statement and **does not claim to teach English in a quarter of the time taken by any other methods**, but does follow the guidelines and teaching standards of the Method.*

*Speakeasy School has been preparing students for the Cambridge English: First (FCE) exam since 2003. In 2016, 100% of our students passed the exam (all at Grade C).*

*In 2019, 4 of our students took the IELTS exam and achieved the following results:*

*7/7.5 = 1 student (25%)*

*6/6.5 = 1 student (25%)*

*5/5.5 = 1 student (25%)*

*4/4.5 = 1 student (25%)*

## Business English (coming in 2022)

Students who reach Stage 8 will be able to take our 8-week Business English course. It will be taught with the Callan Method, but will contain extra writing and vocabulary sections. The writing practice will cover writing business letters, reports and memos. The vocabulary exercises introduce new words and phrases used in common business and professional situations.

*Please note, our Business English course is not available until next year.*

## Cambridge English: B2 First

Students who reach Stage 9 of the Callan Method (CEFRA B2) can take the Cambridge English: B2 First Exam preparation course, which normally takes 12 weeks. The exam preparation classes are not taught with the Callan Method. They include exam techniques, writing practice as well as extra speaking and listening exercises. They also focus on specific grammar issues and vocabulary, including phrasal verbs and prepositional phrases. The preparation classes can be combined with Stage 10, 11 and 12 of the Callan Method.

## IELTS

The IELTS preparation course is designed for students whose English ranges from intermediate to advanced (Callan Method Stage 8-12), and is intended to teach the format of the test and the exam techniques. The course usually lasts 8 weeks and can be combined with extra Callan Method classes focusing on vocabulary, speaking and listening.

## How do I join Speakeasy School?

Anyone who wants to study English is welcome to apply for a course at Speakeasy School. We accept applications via email or in person. When you enrol, we will ask you to complete our application form and provide us with a copy of your passport (or ID card).

There are no minimum level requirements for our General English Courses with the Callan Method. We teach all levels from beginner (CEFR A1) to Advanced (CEFR C1). After you complete our application form, you are automatically accepted. For our Exam Preparation courses (FCE, IELTS) there is a minimum English language level requirement (CEFR B2). If your English level is below B2, you might need to take some General English classes first, before preparing for the exam.

*If you're not sure about your level of English, use the **TEST YOUR ENGLISH** feature available on our website: [www.speakeasyschool.co.uk](http://www.speakeasyschool.co.uk).*

---

### Please note:

- We may refuse to accept a student if we feel that we cannot meet the needs of the student on medical grounds (see Students with Disabilities or Special Needs Policy)
- We may refuse to accept a student based on the academic needs of the student, if we feel we cannot meet those needs. For example, the student's level of English is higher than the current level of classes running in the school.
- We may refuse to accept a student, if there is a suspicion that there is a risk the student will not comply with the requirements of their visa status or if there is a suspicion that documents presented to support a visa application are not genuine.

If you cannot attend your class,  
call us or email us:  
0208 995 8772  
[info@speakeasyschool.co.uk](mailto:info@speakeasyschool.co.uk)

## ATTENDANCE POLICY AND LATENESS POLICY

All students are required to attend their classes regularly and on time. Please remember, regular attendance is the best way to make progress; low attendance and arriving late is disruptive to your teacher and classmates!

### How do you record students' attendance?

The teacher records the students' attendance by marking them in every time they attend a lesson. Each class has a register with the students' names and photographs to help the teacher identify them. The class register has a calendar, which the teachers use for marking the students' attendance.

### What do I do if I am late for my lessons?

If you are more than 25 minutes late, please wait for the next lesson to start. Each lesson finishes 20 minutes past the hour. There is a 10 minute break, and the next lesson starts half past the hour.

### What do I do, if I'm sick and can't come to school?

Call us, or email us to say you can't come in. If you are feeling very unwell go and see a doctor. Please ask him to issue you with a valid doctor's certificate. We cannot extend or refund your lessons, if your absence is unauthorised.

If you cannot attend for more than 2 consecutive weeks, we may suggest suspending your course until you are well enough to attend your classes again.

### What happens if I'm absent and I forget to contact the school?

If you are absent for more than 4 days without contacting the school, we may try to contact you by phone or email. If we are unable to get in touch with you, we may try and contact your emergency contact person, or your embassy (if appropriate). We need to know that you are safe and well. The school has a duty of care to you as a student during your time at the school and in London.

### Teacher Absences

If your scheduled teacher is not available to take your class, we will provide a replacement teacher. In the unlikely event, that none of our teachers are available, you will receive a credit for your missed lesson, or given an option to attend a revision class.

### Holidays

The school is closed at weekends, on public holidays, at Easter and Christmas and 1 week in August (summer holiday). Our holiday dates for the coming year are listed below. Students are entitled to a holiday of 1 week for every 8 weeks of study (not including school holidays). **There is no personal holiday entitlement for courses of less than 8 weeks.** Please book your holiday at least 1 week before the holiday start date, and for a minimum of 5 working days. All current and prospective staff and students can expect to receive equal treatment, both during the process of their application and when studying or working here.

Any member of staff or student who believes that they have suffered any form of discrimination, or victimisation should inform the school director immediately in person or by email: info@speakeasyschool.co.uk. All complaints will be dealt with seriously, promptly, and confidentially.

## SAFEGUARDING VULNERABLE ADULTS POLICY

At Speakeasy School we aim provide a safe environment for all our students while they are studying with us and we take our responsibility to safeguard vulnerable adults learning at the school very seriously. Speakeasy School does not accept any students under the age 18, therefore our safeguarding policy relates to vulnerable adults only, who are defined as any adult who may be unable to take care of him/herself or protect him/herself from risk or harm due to age, illness, mental or physical disability, or inability to communicate in English.

The designated safeguarding person at Speakeasy School is Nick Jenkins – reception, 02089958772

## PERSONAL HARASSMENT AND BULLYING POLICY

We believe that the dignity of all students and staff must be respected. Staff and students should be respectful towards everyone and the school environment should be welcoming to all. All those working or studying here have a responsibility to establish and maintain an environment free from bullying and harassment.

Personal harassment or bullying is any kind of unwanted or unwelcome behaviour which makes the other person feel uncomfortable, embarrassed, unsafe or frightened.

### What do I do if I'm being bullied or harassed?

We want everyone at the school to feel safe. If you are worried about anything, you experience any type of harassment or bullying or see it happening to another student you should immediately speak to your teacher or email the School Director on [info@speakeasyschool.co.uk](mailto:info@speakeasyschool.co.uk).

# Student code of Conduct

*Please remember that Speakeasy School welcomes students of all nationalities and backgrounds and you will be studying with people who have different customs and different religious beliefs. Behave and speak in a way that will not upset other people; do not use aggressive or abusive language. At the same time, remember that everyone is using a language that is not their own; sometimes people say things they do not mean. Please be tolerant and understanding at all times. Any form of bullying will be treated seriously and may result in being asked to leave the school. We want everyone to feel comfortable and relaxed at school; however, it is also important that everyone can learn properly. We work hard to create an informal, friendly atmosphere that is also professional and offers high standards of education. Help us to keep this atmosphere by respecting your teachers, the other students, and the school at all times.*

All students are expected to:

- Arrive on time for their classes;
- Not use mobile phones or other electronic devices during lessons;
- Not eat food in the classroom;
- Not talk to other students during class, unless you are asked to do so by the teacher;
- Not smoke anywhere in the School building;
- Not cause deliberate damage to any property of the School;

Students, who misbehave, may be asked to leave the class, and if so will be reported to the School Director.

They will be given a warning, which means a note will be entered into their file. No further action will be taken, providing there are no further instances of misbehaviour. In case of a more serious offence, or repetition of bad behaviour, one of the following might happen:

- The student will be given a written warning explaining the consequences of any future misconduct;
- The student will be asked to pay for any damage caused to school property;
- The student will be asked apologise for any offence or harm caused;
- The student will be suspended or asked to leave the school with immediate effect;

## SPECIAL EDUCATIONAL NEEDS AND DISABILITY POLICY

### Physical disability

Unfortunately, Speakeasy School's premises do not provide wheelchair access, and there are currently no disabled toilet facilities. Please contact us on [infor@speakeasyschool.co.uk](mailto:infor@speakeasyschool.co.uk) and we can suggest nearby schools with such facilities available.

### Visual and audial impairment, dyslexia etc

We can usually help students with some difficulties with their sight or their hearing but our courses are probably not suitable for the totally blind or the very deaf. Please contact us if you think you may need special arrangements. If you are dyslexic it is very helpful if you can tell us in advance. In particular, if you are planning to take an examination we can make special arrangements for you but we need to know in good time.

### Mental health issues

The school is a small, friendly and supportive place, and people who are nervous or anxious about being away from home will find a friendly welcome and personal support to help them to adjust to their new life in an unfamiliar environment. However, we do not have the staff or the facilities to accept clients with significant mental health problems and we strongly advise students – or their agents or sponsors – to tell us before enrolling anyone who has a history of mental health problems so that we can advise

## COMPLAINTS AND FEEDBACK PROCEDURE

# Information for Visa Students

Speakeasy School of English is accredited by the British Council under the Accreditation UK scheme. This means we can support your entry to the UK to learn English for courses with a maximum duration of 11 months.

Everyone is allowed to study in the UK for up to six months as a visitor. This means many students can study without a visa and some nationalities need to apply for a Standard Visitor visa.

If you are studying on a **Standard Visitor Visa**:

- You can study with us for up to 6 months;
- You cannot work in the UK, but you can volunteer;
- Your visa cannot be extended

For courses longer than six months, all international students need to apply for a visa before travel. There are two visas available to students: the Short-term study visa, and the Student visa (currently not available at Speakeasy School).

If you are studying on a **Short Term Study Visa**:

- You can study with us up to 11 months;
- You can stay in the UK for the length of your course plus 30 days;
- You cannot study on any other course, or change your course while in the UK;
- Your visa does not give you the right to work, but you can volunteer;
- Your visa cannot be extended

## Biometric Residence Permit

When you make a Short Term Study Visa application from outside the UK, you will usually be granted a short visa in your passport (this is called a *vignette*). Your vignette will be 30 days in length (sometimes it can be longer) and will allow you to enter the UK.

The rest of your visa duration will be recorded on a Biometric Residence Permit (BRP). You can collect your BRP when you arrive in the UK. The BRP is a card which holds information about you, your visa, and also your biometric data in a chip.

The address of your BRP collection point will be shown on your decision letter.

You must collect your BRP within 10 days of arriving in the UK, or before the expiry of the visa in your passport (whichever is the latest date). If you apply for your student visa with an EEA or Swiss passport and use the app for the application process, your status will be issued digitally and you will not need to collect a BRP after arrival in the UK.

## Registering with the police

If your passport is stamped "Holder is required to register with the police", you must take your passport, letter confirming your student status, two passport sized photographs and the registration fee (approx. £35) to the following address: Metropolitan Police Service, Overseas Visitors Record Office, Ground Floor, Brandon House, 180 Borough High Street, London SE1 1LH. Opening hours: 9.00-16.00 Monday to Friday, Tel 020 7230 1208. The nearest tube station is Borough, which is on the Northern Line. When you exit the station turn left, cross the road and Brandon House is in front of you.

# Safety Policies and Procedures

---

Speakeasy School aims to ensure the health, safety and well-being of all staff and students at the school. We comply with all relevant legislation relating to Health and Safety. The school undertakes to carry out regular risk assessments of the premises, maintain an accident book and log and report incidents. We also conduct regular fire drills to ensure that any necessary steps are taken to reduce the likelihood of problems.

---

## FIRE SAFETY PROCEDURES

In the event of a fire a constant bell ringing will be heard.

Should the fire bell sound during a lesson, students must follow their teacher quickly and quietly out of the building to the assembly point on the corner of Chiswick High Road and Ravensmede Way (see photo).

If the fire bell sounds during a break, all students must quickly and quietly leave the building via the ground floor exit and assemble in the designated area. Be careful when walking along the road. Do not stand in or near the road. Do not re-enter the building until advised that it is safe to do so.

Fire extinguishers can be found on all floors.

All School staff is up-dated regularly on fire drill procedures and all staff and students undergo a fire drill practice four times a year.

### Can I smoke inside the school building?

No. Smoking is not permitted anywhere inside the school building. You can smoke outside the front of the school. However, please be mindful towards other students and staff leaving and entering the school, as well as customers of the premises downstairs. Cigarette ends should be discarded into the ashtray provided.

*Be careful when using the stairs at school. They can get very busy at times. Please do not run up and down the stairs and please do not text when using the stairs.*

## FIRST AID POLICY

Speakeasy School of English complies with relevant legislation for First Aid for employees, students, and visitors on the premises during normal working hours.

If you have a medical condition that the school should know about, please tell us before you begin your studies.

If you feel unwell, or have a minor accident while you are at school, please go to Reception, or tell your teacher. The qualified First Aiders for Speakeasy School are Maggie Jenkins and Nick Jenkins. You can usually find them in the school's reception.

If you feel unwell, or have a major accident outside of school, you can go to the Accident and Emergency Department of your local hospital, or call 999.

If you need medicine for common illnesses such as cold, headaches, etc. or need medical supplies, e.g. plasters or bandages you can go to a chemist.

## PREVENT POLICY AND PROCEDURES

Prevent is about safeguarding people from the threat of terrorism and preventing people of all ages from being radicalised or drawn into terrorism (The Counter Terrorism & Security Act 2015). The school promotes a multicultural environment where respect for, and tolerance of, other people's beliefs is required at all times.

Below we have listed some words and phrases used when you're discussing or thinking about extremism and its related topics.

### **What are the Core British Values?**

- Democracy
- The rule of law
- Individual liberty
- Mutual respect and tolerance of different faiths and beliefs

### **What is Extremism?**

It is the holding of extreme political or religious views which may deny right to any group or individual. Extremism can refer to a range of views, e.g. racism, homophobia, right-wing ideology, as well as any religious extremism.

Extremism can be expressed in vocal or active opposition to Core British Values, and may also include calls for the death of members of the armed forces, whether in this country or overseas.

### **What is Prevention?**

In the context of this policy, prevention means reducing or eliminating the risk of individuals becoming involved in terrorism.

### **What is Radicalisation?**

It is the process by which people come to support terrorism and extremism and, in some cases, to then participate in terrorist groups.

### **What is Vulnerability?**

Describes the quality of being easily hurt or attacked. Within Prevent, the word describes factors and characteristics associated with being susceptible to radicalisation.

### **Why should we be supportive and tolerant towards one another?**

It is important to understand that extremism is not isolated to any particular type of person: a European student may be radicalised as easily as an Arabic student. A person may come into contact with the school already holding extremist views, or they may be influenced by a range of factors while in England, such as global events, peer pressure, the media, friends or relatives being harmed, etc.

### **How can we prevent people from extremism?**

- Promote a safe and supportive international environment by making it clear that behaviours such as radicalisation and extremism will not be tolerated;
- Understand and uphold Core British values;
- Develop critical awareness and do not accept extremism without question;
- Be observant and vigilant in noticing any signs of radical or extremist behaviour.

### **Why should you be internet safe?**

Extremists often use the internet including social media to share their messages. Free internet access is available to all Speakeasy students. Students use their own devices in doing so and there are no filters in place. If you come across any internet content that is inappropriate or of concern, please report it to us immediately.

### **What to do if you are worried about someone's behaviour?**

It is very important that any concern or incident, however small, is reported immediately. Any report will be dealt with sensitively and carefully, with confidentiality assured for the person reporting a concern.

If you have a concern, please contact the Prevent Lead:

**Nick Jenkins, School Director**

## LIVING IN THE UK

---

It is a very exciting time coming to live in a different country, meeting new people and learning about different cultures. However, we understand it can also be a little bit frightening, especially if you cannot communicate all that well. That is why we want to help you as much as we can to make your stay in the UK an enjoyable experience. Here are some of the things that we can help you with.

---

## ACCOMMODATION

We work with British Council registered accommodation agencies (i.e. Britannia Student Services and Hosts International) in finding accommodation for our students. We have the following accommodation options:

- homestay accommodation (living with a British family)
- halls of residence,
- sharing a flat with other students.

We can also provide information about local budget hotels for those of you who are here for a short time.

More information is available on our website: [www.speakeasyschool.co.uk](http://www.speakeasyschool.co.uk), or if you prefer you can have a chat with any one of our reception staff. The accommodation officer for Speakeasy School is Maggie Jenkins – reception, 0208 995 8772.

If you are thinking of finding your own accommodation, here are some websites, which other students have found useful:

[www.gumtree.com](http://www.gumtree.com)

[www.spareroom.co.uk](http://www.spareroom.co.uk)

[www.rightmove.co.uk](http://www.rightmove.co.uk)

*There are lots of different accommodation options in London. If you decide to find your own accommodation, take your time and make sure you understand everything that is required from you. Most landlords will ask you for one months' rent and one months' deposit in advance. Before you give anybody any money make sure you sign a contract (called a tenancy agreement). You can offer to put your name on a utility account (such as gas, electricity, water). This will give you proof of address and will make it easier for you to open a bank account. If you decide to rent a flat, you will also have to pay council tax. The local government charges council tax to pay for the maintenance of the local area (e.g. keeping the streets clean, maintaining the parks). If you need any help or advice, come and speak to any of our reception staff.*

## STUDENT ID/DISCOUNT CARD

# Living in the UK: useful information

---

## Personal Safety

By international standards, the UK is a safe country, with low levels of violence and street crime. However, crime is more prevalent in large cities and London is no exception. You will need to take extra care of your belongings, not only when you are here, but also during your journey. It is important not to carry large amounts of cash with you and not to leave your belongings unattended. A useful booklet produced by the British Council advises international students on safety issues and can be downloaded from [www.britishcouncil.org/sites/default/files/safety-first.pdf](http://www.britishcouncil.org/sites/default/files/safety-first.pdf). It would be useful to read the section entitled “Arriving in the UK” before leaving your home country.

### Do I need travel insurance when I come to study English in the UK?

Yes, we suggest you have international student travel insurance. Make sure to buy the insurance before you travel to the UK, so you are protected from arrival.

We recommend your insurance policy covers the following:

- Replacing a lost passport or visa;
- Replacing luggage that is lost or stolen;
- Medical bills in the UK if you are ill or have an accident (not all students can use the UK's National Health Service for free);
- Emergency dental treatment
- Returning home for medical reasons (this is called *repatriation*)

### Laws in the UK

The laws in the UK may be different from those in your home country. Here are some of the ones worth remembering about:

- You must not carry drugs with you of any kind (unless prescribed by a doctor), or use any illegal drugs, including cannabis, ecstasy, LSD or amphetamines.
- It is illegal to carry any sort of weapon including knives, self-defence CS gas sprays, guns or stun guns.
- You must be 16 and over to buy tobacco.
- You must be 18 and over to buy alcohol.
- Never buy property that you think might be stolen, no matter how tempting the bargain.
- It is an offence to falsely report the theft of property.

### Can I use my foreign driving licence to drive a car in the UK?

You must have a licence that allows you to drive in Great Britain (England, Scotland and Wales). If you have a driving licence that was issued in your home country, you can find out if you can use it to drive in Great Britain and how long it is valid for here: <https://www.gov.uk/driving-nongb-licence> . You may be allowed to do so for a limited period of time only.

There are several ways that driving in the UK differs from driving in other countries. The British drive on the left-hand side of the road and overtake on the right. Seat belts must be worn at all times

It is illegal to use a hand-held mobile phone or send or read text messages while driving. You must not drive while under the influence of alcohol or drugs and you must observe all speed limits. Remember, pedestrians have the right of way when on pedestrian crossing.

Don't forget, the British drive on the left-hand side of the road!

### Medical treatment

If there is a serious emergency and you need urgent medical help call 999. This is FREE from any telephone, including mobile phones. You will be asked which service you require; Fire, Ambulance or Police. For medical emergencies ask for Ambulance.

**In case of  
Emergency  
dial 999**

If you urgently need help, but it's not a life threatening emergency, you can call 111, or go to the Accident and Emergency Department (A&E) of your nearest hospital. The A&E departments are open 24 hours a day and deal with patients needing emergency hospital treatment.

**CALL  
111**  
**when it's less  
urgent than 999**

Emergency treatment in hospitals is FREE for everyone, wherever you come from, but there will be a cost if you need to stay in hospital or need further treatment. That is why we strongly recommend that you take out insurance before you come to the UK.

### **I am studying in the UK on a Short Term Study Visa. Can I have access to free medical care?**

Students who apply for a visa to study for more than 6 months pay the immigration health surcharge. You pay the fee as part of your online visa application. You can then access national health services in the UK during your stay. This includes doctors' appointments and hospital services.

Students studying for 6 months or less should take out travel insurance covering medical costs in case they need to access healthcare in the UK.

### **What are Reciprocal Health Care Agreements?**

The UK has reciprocal health care agreements with several non-EEA countries, which allows nationals from those countries to free or reduced cost NHS treatment even if their course is less than 6 months. You should check with the health authority in your home country what treatment is covered before you leave for the UK. You may still need to take out limited medical insurance.

Current non-EEA member countries, which have RHCA with the UK are:, Anguilla, Australia, Bosnia and Herzegovina, British Virgin Islands, Falkland Islands, Gibraltar, Isle of Man, Jersey, Kosovo, Macedonia, Montenegro, Montserrat, New Zealand, Romania, Russia, St. Helena, Serbia, Turks and Caicos Islands.

### I am a European national. Can I access the NHS for free?

If you have a European Health Insurance Card you can access the UK's public health services for free. This card is available to anyone who is insured by a state security system in any Member State of the European Union, Iceland, Liechtenstein, Norway or Switzerland.

You should apply for the card before you travel to the UK. You may need to show your card if you need treatment at a hospital or doctors surgery.

### Do I have to pay if I go to the dentist?

There is a charge for all dental treatment but if you can find a dentist that is accepting NHS patients then you can receive reduced cost treatment. A list of dentists accepting NHS patients can be found at [www.nhsdirect.nhs.uk](http://www.nhsdirect.nhs.uk). Please note: you need to be registered with a doctor in order to receive NHS dental treatment.

You can obtain more information and advice on living and studying in the UK at [www.ukcisa.org.uk](http://www.ukcisa.org.uk)
